

The Ontario Stone, Sand & Gravel Association is continually looking to meet the needs of its membership and the industry at large. OSSGA is offering industry expert-led training, tours and seminars as well as certified training courses.

### INDUSTRY EXPERT LED EDUCATION

- Operations, Health and Safety Seminar
- Annual Conference & AGM
- Aggregates 101
- Operations & Service Training Day
- Quality Control/Quality Assurance Training
- Rehabilitation Workshop and Tour
- Environmental Workshop
- Operations Tour

#### **CERTIFIED TRAINING**

- Surface Mining Common Core Training
- Generic First Line Supervisor Training

Courses are offered for individual sign-up or OSSGA can offer training exclusively for any company.

Delivery of training varies from course to course. Industry Expert Led Education is delivered by competent industry experienced individuals.

Certified Training is led by experienced and government qualified instructors. These programs include both theory and practical training. Participants who successfully complete the training and test will receive a record of certified training.

#### REGISTRATION

Registration opens two months prior to the program date. All training and seminar registration pages can be found by visiting www.ossga.com and clicking on the event calendar to choose the program you require.

### EXCLUSIVE TRAINING OPPORTUNITIES

If your company has a group of employees that need to be trained or you simply want the trainer for your organization only, then OSSGA can develop exclusive training opportunities for you. OSSGA will work with you and the trainers to develop the training you require on the dates needed for your exclusive training program needs.

Contact Julie Harrington, Manager, Training and Development, to assist with your booking needs at jharrington@ossga.com or 905.507.0711 ext. 208

# Certified Training
