

OSSGA 2027

Call for Speakers

OPERATIONS, HEALTH AND SAFETY SEMINAR

OPHS Seminar

The aggregate industry is always finding new and better ways to ensure we can get the job done safely and correctly - the first time, every time. The Ontario Stone, Sand & Gravel Association (OSSGA) is calling for speaker abstracts for its 2027 Operations, Health & Safety Seminar.

When: January 20 - 21, 2027

Where: Marriott Toronto Airport Hotel

Who: Industry representatives from across Ontario interested in learning more about emerging technology, operational management, health and safety initiatives, innovations in safety equipment and more.

We invite you to submit an abstract on the following topics:

- Artificial Intelligence - operational and safety focused innovations and examples
- Safety Gear - changes to hard hat regulations, hi-vis and more
- You don't know what you don't know - hazard awareness
- Managing repetitive tasks
- Lock Out Tag Out
- Incorporating Technology - i.e. Meta Glasses - pictures of sites/safety issues/creating task lists
- Driver Management - It's not about being Big Brother, its about safety, efficiency and equipment management (benefits of GPS/Inward facing cameras/etc.)
- CVOR - What drivers can expect to be asked for if pulled over
- **Bring Your Own Presentation or Panel**

Abstracts are due August 15, 2026 at 4:00pm

All submissions must be uploaded in PDF using the abstract submission link - [**CLICK HERE**](#)

Include: Title, 200 words describing key learnings, add speaker name(s) including company, position, email. Submissions received become the property of OSSGA, for use in such manner and medium, including electronic media, as OSSGA determines. Presentations are for educational purposes, not commercial or self promotion. Submission does not guaranteed acceptance.
