

OSSGA 2027

Call for Speakers

ANNUAL CONFERENCE & AGM

Conference and AGM

The aggregate industry is constantly evolving, driven by innovation, strong leadership, and forward thinking strategies that shape its future. The Ontario Stone, Sand & Gravel Association (OSSGA) is now accepting speaker abstracts for its 2027 Annual Conference. We invite industry leaders and experts to share insights, emerging trends, and innovative ideas that will inspire meaningful conversations and help shape the future of Ontario's aggregate industry.

When: February 16 - 18, 2027

Where: OMNI King Edward Hotel Toronto

Theme: Foundations for Growth: Supplying Ontario's Next Generation

Who: The conference brings together senior industry leaders from across Ontario for a dynamic agenda exploring emerging technologies, innovation, leadership, collaboration, operational excellence, resource management, and the trends shaping the future of the aggregate industry.

We invite you to submit an abstract on the following topics:

- Artificial Intelligence - industry innovations and examples
- Safety Gear - changes to hard hat regulations, hi-vis and more
- The rise of EPD's
- ECA/CA's - Environmental Approvals and Bottlenecks
- Shifting from Generators to Line Power: Examples, Testimonials, Impact of CO2
- Duty to Consult
- **Bring Your Own Presentation or Panel**

Abstracts are due August 15, 2026 at 4:00pm

All submissions must be uploaded in PDF using the abstract submission link - [**CLICK HERE**](#)

Include: Title, 200 words describing key learnings, add speaker name(s) including company, position, email. Submissions received become the property of OSSGA, for use in such manner and medium, including electronic media, as OSSGA determines. Presentations are for educational purposes, not commercial or self promotion. Submission does not guaranteed acceptance.
